

Vicki's Vibes

I can't believe that it's June already, school will be out next week so watch out for the kids!!!! Especially those of you who drive and pull out of the garage, there are children across the street, I'm sure you see them and know they'll be out during the day.

We celebrated the Moms last month with our Brunch, serving 200. We enjoy having the opportunity to see your daughters, granddaughters, sisters and best friends; and there were so many wonderful compliments from all. Isn't it fun to have a special time to celebrate motherhood?

June we give the Gentlemen their chance to celebrate. We'll have their special day on Fathers' Day. You guys can invite 2 sons, son-in-laws, nephews, grandsons or best friends for a wonderful meal. I had hoped we would have the putting greens done but they won't be finished. We will celebrate later.

Thanks to Betty Weaver; our new Des Moines Register carrier. She has taken over the Embers route – keep that in mind when you pay your bill that she is NOT on the Register payroll.

The Library committee is working to get the move done. The new paperback book shelves work real nice; they're just the right depth for paperbacks. The books will be changing locations this next couple of weeks, so if you are looking for reference books you now go into the Reference/Paperback Lounge. Our book sale date will be announced, it was too much of a push to have it in May. We'll let you know when the time comes. The proceeds of our Book Sale will go to the purchase of some more Large Print Books. Do you have any special authors you would like us to add to the Library? Let me know.

We will miss Jeannette Fensterbusch, Lillian Hayek, Lee Fiscus, Ward Handorf Maxine Sheldon, and Audrey Loveland. Our best wishes for a speedy recovery go to Ruth Miller and Jean Pyatt. We hope they will be home very soon. Mary Young and Iona Pryde have come home and we're glad they are here.

A big Embers Welcome goes to our newest residents, Blanche Prusha in 133 and Jean Haan in 220. Later this month Daryl Wilmont will move to 401 and Madelyn Lindsey will move to 213. We will have more moving in later this month and into July.

I hope you come down to the Country Store to enjoy the deck – the weather is so nice and you can come out and catch some rays – vitamin D is good for your bones and that comes from the sun.

Until next month,

Love you, *Vicki*

Deb's Ditty

Hello to all. I hope you had a wonderful month I have learned a lot this month. My favorite has been Channel 3. I try to update it as often as I can and if you have any ideas for new pages or photos I would love to hear about them.

I was surprised at the turn out for the activities Jo leads. Everyone always seems to have a good time. I hope to have time to jump in once in a while and get to know those I have not got to talk to as yet.

I am enjoying getting to know those of you who have had the time and occasion to chat a little. I hope there are a lot more occasions to come where we can chat. Unfortunately, Vicki keeps me busy, busy, busy, so you may have to come interrupt me to say hello. I am okay with that. ☺

See you around the building,

Deb

MAINTENANCE LEAK

Hi folks,

Hope you all had a good Memorial Day weekend. Chad and I hoisted a new flag for the occasion.

The month of June we will be replacing air filters in your apartments.

I think most of you know that we have moved the recycle containers outside the door from where they used to be – which was down by the Comm. Room and theatre. There is a piece of wood hanging outside on the door handle. Use this to stick in the door so it won't close and lock you out if you forget your keys.

Have a good one,
Mike & Chad
