## *Vicki's Vibes*

September; well what can we say? School starts, leaves will be starting to change colors. The weather will be great, temperatures just right for being outside on the decks and putting along the greens. I know Jo has a number of great activities planned, so it will be a busy month.

Oktemberfest will be here on the 22<sup>nd</sup> and King Bill and Queen Marge will be representing the Embers in the parade. We'll take those who want to see the parade and support our King and Queen to the parade route. If you have a lawn chair bring it along. Pray for good weather.

We have a date for our Book Sale/Garage Sale; Saturday, October the 13<sup>th</sup>. We'll be organizing on Thursday and Friday. We will open at 8:00 and close at 2:00. You may bring items you would like to donate to the Community Room **after** 1:30 on Wednesday afternoon. The money will go to purchase books for the Library. I haven't heard about any favorite authors yet; let me know if you want a special book, movie or magazine you would like ordered.

What do you think about 13<sup>th</sup> Street? One of the Imagine ideas was to revitalize 13<sup>th</sup>. Remember when it was full of activity? There will be a meeting of the Revitalization Committee here in the Community Room on Thursday evening the 6<sup>th</sup> of September. If you have some ideas or would enjoy volunteering come on down at 6pm. Wouldn't it be great to be able to walk to a convenience store for bread or eggs? We need to support this Imagine Committee for the improvement of our neighborhood, so if you have any ideas, come on down!

Welcome to our newest resident, Nellie Temple in Apt. 432.

Until next month,

Love you, *Vicki*

Hi Again. Well it appears fall is on the way. But it is still raining like it is spring. Maybe we will get May flowers in September since we are got April showers in August. ☺

The guest rooms have quieted down and have been running pretty smoothly. So if anyone is interested in a date, it is pretty open right now. Just come see me or give me a call and I will set you up.

I have been slacking on channel 3 lately. Sorry about that, I will work on changing it more regularly. I try to change the pictures fairly often, so you may want to check to see if your face is on TV.

I heard the first golf tournament went well on the putting greens. Everyone had a good time. I hope there will be many more.

On a personal note, my step-daughter and her husband just purchased their first home from Blanche Prusha and they are very happy now that they are all moved in. We are very happy for them.

See you around the building,

Deb

We'll go out and play during our Iowa – Iowa St. week on Wednesday morning the 12<sup>th</sup> at 10:00 a.m. We also have a Putt Party planned on Monday the 24<sup>th</sup> – It should be cooler by then, so we will “Putt-Off at 3:00! *Refreshments will be served.*

Bobby Shomo will be here in the Chapel that afternoon at 3:00 for some Music and fellowship. Everyone loves Bobby Shomo and he really has a great voice.

## MAINTENANCE LEAK

Hi folks,

The electricians are still working on our fire alarm system upgrade. The white boxes that

they are installing in the hallways and in your apartments have speakers. When the new system is completely done it will talk to you and give you instructions on what to do as opposed to just a buzzer.

In the event that you become stuck in the elevator – Use the phones that are located behind the small door below the push buttons. Dial the # listed on the phone to ring the office. I must add that since I've been here there has only been 2 times someone has been stuck. In both cases we have had them out within 10 min.

## ***KATHY'S COMMENTS***

September is here – I hope it cools down a little, it has been so hot out!

Labor Day is coming up and us girls won't be working that day. So, if your cleaning day falls on the 3<sup>rd</sup>, it will be cleaned another day that week. I will leave a note on your door for what day and time.

If your kitchen floor is starting to look a little dull, please let me know or tell your Housekeeper when she comes to clean so we can get new wax on it!!

September is also our "***Free Week***" the 24 th – 28 th. That's a good time to move furniture, clean out the oven and all

the extra work that needs to be done. Just let me know or call Deb in the office and she can let me know.

Have a great month!
